Principals Message

Dear Parents & Carers

Yesterday was a lovely tribute to Mrs. Robinson – our fantastic colleague who is truly missed. It was great to see so many staff and pupils there reiterating what a great teacher she was.

I have been particularly impressed with the start of our next phase of school assessments. Pupils have shown excellent attitudes. Outcomes from these will help inform both staff and pupils of any core knowledge gaps. We will then teach to fill these gaps.

We enter that time of year where we encourage Year 11 to finalise applications to join our Sixth Form. As you are aware our results in Year 13 are strong with many pupils achieving excellent grades and going on to study at a variety of universities or studying through higher level apprenticeships. The courses we offer are taught by subject specialists who not only know their course well but who deliver strong results. If your child has not yet submitted their application then use the following link to submit their application:

<https://forms.office.com/e/WMUtx67UXn>

Please don't delay as places are filling up rapidly.

I am looking forwards to our **Sixth Form Open Evening on Thursday 25th January** and our **Year 9 Options Evening on Thursday 29th February**. A chance for us all to meet many of you and discuss both progress and future plans for your child.

Our Sharp Start to lesson strategy is going well and pupils are commenting that this routine is helping them to remember previous knowledge.

We are currently undertaking a new Reading project with Queen Eleanor Primary school where members of our Sixth Form and Year 8 pupils will visit the school to hear children read and we will also invite the children to attend Abbeyfield for other literacy opportunities.

I am also looking forward to our upcoming production of Everybody's Talking About Jamie. I have had a sneak peek at rehearsals and it is looking and sounding great. Please make sure you get your tickets for what promises to be a great event. Please see the poster for more information.

I hope everyone has a lovely weekend.
