Principals Message

I hope you are all enjoying the Easter break and I look forward to welcoming students back for the summer term.

I just wanted to celebrate our first mufti day that we held on our last Thursday of term. We raised over £1200 for Mr Hosking and his Raising Cancer Awareness Charity run which is fantastic. Good luck Sir - we are right behind you!

Huge congratulations to our Year 7 Football Team who have won the Northamptonshire League Championship 2024. We are really proud of you all. Our Year 8s also demonstrated excellent determination and resilience, and although they did not win their last game – they made an excellent come back going from 4-0 at half time to 4-3 come the end of the match. Well done Year 8.

Thank you to Miss Bailey who organised a science day for all pupils in Years 7-10 just before the holidays. A really great reminder to us all about the amazing world of science. Lots of fun facts and experiments.

Huge thanks to the English Team for arranging two live performances for Year 11 of Macbeth and Dr. Jekyll and Mr Hyde. These performances were timed perfectly to further explore key revision areas and support examination success.

Year 13 are busy organising another mufti day before we break for the summer. Details to follow shortly. In addition, I am very excited to soon introduce and welcome you to a new addition of our Abbeyfield community. More details coming soon – watch this space!

We have a staff training day on Monday 15th April. During this day I shall be setting our priorities for the term which will continue to focus on teaching in the classroom. We are looking forwards to the parental workshops where we will be exploring how we can further improve homework.

Pupils return to school on **Tuesday 16th April at 08.40am**. Full uniform and full attendance please.

I hope you all continue to have a safe and enjoyable Easter break.
