

Abbeyfield Weekly

Stay informed with updates from Abbeyfield School

#12 10th May

<p>Principals Message</p>	<p>Welcome to another week of updates from Abbeyfield.</p> <p>I am sure you will join me in wishing all of our wonderful Year 11 and 13 pupils the best of luck with their examinations. “Do your best. We are right behind you!”</p> <p>There has also been lots to celebrate!</p> <p>Well done to all the year 9&10 pupils that took part in the Northampton Town Athletics Championships this week. Pupils worked hard in their teams and were a credit to the school, showing great determination and resilience.</p> <p>We are really pleased to see over 30 first choice places for our Sixth Form Football Academy this year. We are affiliated with Crystal Palace. Eddie McGoldrick (former Crystal Palace player) and his team run all the practical, training and analysis parts of the course with my excellent team of PE staff who deliver the theoretical and academic sections.</p> <p>Congratulations to our current Year 12 Football Academy pupils who are starting to receive university offers and football scholarship offers in the United States. We are looking to further develop this provision with Nottingham University and to look at a Football Tour that we can combine with some charity/humanitarian work abroad. This will be a fabulous experience for our players and also an opportunity for others to benefit from their wonderful skill sets both as players and people. It really is exciting seeing this continue to grow.</p> <p>As the weather finally warms up a few reminders. Pupils may wear a sun hat at break times only and sunglasses are to be worn outside only. They are not to be worn inside the building. Suncream can be used but NO aerosol versions please. Ensure your child has a water bottle - we have fountains where they can be filled. Blazers are to be worn to school every day - they are not optional. In a warm day I will announce a no blazer day and pupils may then place these in their bags or carry them over their arm. Unless I can see a warm week ahead, I will take it day by day.</p> <p>I hope you all have a lovely weekend and enjoy the nice weather.</p>
<p>Safeguarding</p>	<p>Next week, Northamptonshire Police, are educating people across Northampton on knife crime and the seriousness of carrying a knife. As part of this, we may see increased patrols and drop ins around Abbeyfield school. We continue to have positive links with our police colleagues and welcome them into the school so that they can get to know our students, which then helps to safeguard students when accessing the local community.</p>
<p>Don't forget: Social Media</p>	<p>You can also see regular updates by following our social media channels too:</p> <p> Abbeyfield School</p> <p> abbeyfield_school_npton</p>
