Principals Message

Hello and welcome to this week's edition of Abbeyfield Weekly.

This week has seen our Year 11 finish their final exam on Friday, followed up by a quick change, a leavers assembly including the usual shirt signing, goodbye messages, student 'most likely to be' rewards and a lovely tribute and standing ovation to the very missed Mrs. Robinson. Afterwards it was ice creams and final goodbyes with teachers and friends. We are sure the Year group have appreciated all the hard work that has gone into making their last day a memorable one. Next stop is the Year 11 Prom!

I have been so impressed by Year 7, 8 and 9 pupils in their summative assessments. You could hear a pin drop in school this week as they have been so focused. These results will really help teachers to understand where their gaps in learning are and moving forwards support teachers with planning.

We wish Year 10 the very best of luck in their summer examinations. These start on Monday. Again, this will give us all a clear idea of gaps in knowledge moving forwards and help teachers know what we need to re-teach.

It was great to see such a turn out at our Sister Act launch this week and I wish everyone luck with auditions over the next fortnight.

Hope you all have a lovely weekend.

Safeguarding

The safeguarding of our students continues to be a priority and this week we have been gathering student voice on safeguarding, to make sure we are constantly working hard to ensure all students feel safe and when they do not feel safe, staff are acting swiftly to support them.

Parents/carers of Year 11:

This is such an exciting time for our Year 11s and we are all so proud of them. This time can also bring many additional worries. Please do take a look at our external services page on our

website if you are worried that your child may need additional professional support during this time.

An important message from NGAGE:

We are excited to share that we have been commissioned by West Northamptonshire Council to deliver vaping prevention for parents and carers in West Northamptonshire.

Please see our first virtual training and awareness sessions:
