Principal's Message

Ambition has been the focus for assemblies this week and it was fantastic to see this value exhibited in our community this week. From sporting success in the County Cup to brilliant experiences on the geography field trip and some amazing work in lessons – the ambition of our students has been clear to see.

We're looking forward to welcoming year 5 and 6 students to our Open Evening on the 25th September to share what makes Abbeyfield so special. I was speaking with our Sixth Form leadership team earlier in the week and they highlighted the positive, professional, relationships that staff and students as being crucial in their decision to remain at Abbeyfield for their post 16 studies. This is one of the key elements that makes Abbeyfield such a great place to work and study and we will continue to build on this over the coming months.

I'd like to take this opportunity to thank all our parents for their support so far this year, especially in getting students into school with the roadworks on the Mereway. We are hoping that these will be reducing over the next few weeks – we will keep you updated as we hear anything either way.

Friends of Abbeyfield School

We are thrilled to be launching Friends of Abbeyfield School designed to bring together parents, teachers, and staff in a spirit of collaboration and community.

Our first official meeting will be taking place soon, and we warmly invite you to join us. Please keep an eye on your inbox over the next week for the confirmed date and details.

This is a fantastic opportunity to:

- Share ideas and feedback
- Support school events and initiatives
- Help enrich the educational experience for all students

Whether you're a parent, carer, teacher, or member of staff, your voice matters—and we'd love to have you involved.
